

Appl. No. 10/807,099
Amdt. dated 29 August 2005
Reply to Office Action of 13 May 2005

Amendments to the Specification:

The FILING RECEIPT mailed 07 June 2005 contains a typographical error repeated in the cover sheet of the Office Action. The lead inventor's given name is **Jianmin** not Jianm[m]in. The name was spelled correctly on the original filed application and on assignment documents. Please correct the first named inventor to read **Jianmin Shi**.
